"Service" is our middle name!

**Winner! Winner! Winner!** Congratulations, you've won a warm and carefree winter! How? Most people don't realize how important it is to maintain your heating and air conditioning system. Proper maintenance will prevent future break downs and allow your system to operate at peak efficiency. Beyond that it will increase the life expectancy of your system.

### Three Ways you WIN with Weeks:

- 1. Discounted Service.** We will give you **51% off** our regularly priced \$174 Precision Tune Up! **For only \$89** we will come to your home with a certified technician and provide a Full Precision tune up for your Heating System. This is no simple filter change and clean up, this is a **true 17-point precision tune up** that takes us 60-90 minutes to complete.
- 2. Help preventing repairs and breakdowns.** If you like our service, you have the chance to join our Priority Energy Savings Agreement (PESA). For PESA Members, we come out twice a year and provide preventative maintenance services – once for your heater and another for your air conditioner. With your PESA membership, you get this \$89 tune-up for **50% off our already discounted price** – paying only \$44.50! **Our PESA members also receive 15% off parts and labor on repairs and there is never a service call charge during your membership.**
- 3. Details or it's FREE.** If our Certified Technician doesn't leave a detailed invoice that explains all the work performed, you get this \$89 tune-up for **FREE!** There's really no way that you can go wrong.

So go ahead, hold our company accountable for a great service experience **because "Service" is our middle name!**  
Call **281-332-9555** today to schedule your service and answer any questions you may have.

Offer valid thru 2/15/2022. Not combinable with other offers. Price is per system. If you have more than one unit, multiply the number of units x \$89 to get price.
